**Notice to Mariners 15/2015**

**Date of issue 25/09/15**

**Rothesay – Port Hand Buoy**

On 22/23 August 2015 the Port Hand buoy at the entrance to the Outer Harbour and which marks the sewer outfall broke adrift. The buoy was recovered and is currently moored in the harbour until it can be re-positioned.

The Masters and Skippers of vessels entering and leaving the outer harbour should navigate with caution in the absence of this buoy.
