# **Argyll and Bute Council**

## **Support to Community Organisations**

Welcome to the Grant Application Pack. Good luck with your application.

The Community Sector covers a range of organisations including voluntary, community, charities and social enterprises that may be involved in Sports and Leisure, Arts and Culture, Social Welfare or Education. This includes Community Councils and Parent Councils.

### **Completing the application form**

In order for your application to be considered, you must supply **all** information required by **Wednesday 6th February 2019**.

If your submission is incomplete it will not be able to be progressed.

### **The assessment process**

The initial assessment will involve a Community Development Officer contacting or visiting you for more detail. Please note that Council Officers do not make decisions on funding awards. They will assess the application and give recommendations to the Councillors to make a decision at a formal meeting by May 2019.

There are four separate funds, one in each of the administrative areas of the council. These areas are: Bute and Cowal; Helensburgh and Lomond; Oban, Lorn and the Isles; Mid Argyll, Kintyre and the Islands.

Successful applicants must sign a contract and spend the grant award within the financial year ending 31 March 2020, and return an end of project monitoring report within two months of this date.

## CRITERIA FOR SUPPORTING COMMUNITIES FUND APPLICATIONS

Applicants are able to apply for **up to 100% of the total funding costs** for any project/activity. The maximum award available is **£2,500**.

The Supporting Communities Fund **cannot make awards for Capital costs**. Capital cost is spend on assets, the useful economic life of which is greater than one financial year and has a resale value.

The term 'assets' does **not include items classed as consumables**, these are goods which are bought, used and replaced, such as office stationery, small tools and equipment, clothing or toys, **which would all be eligible for grant funding**.

Other ineligible costs include sponsorship or marketing appeals; establishment/preservation of endowment funds; activities that collect funds for subsequent grant-making to other organisations and/or individuals; and, promotion of political or religious activities.

Grants will not be provided for any activity, which is designed to promote or oppose the view on any question of political activity, or which is identifiable as the view of one political party and not of another.

Applications to the fund must evidence:

1. The direct benefit to vulnerable individuals and groups in the local community.
2. Partnership working where relevant.
3. How the project impacts any or all of the following:

a)	Social inclusion	The process of improving the terms on which individuals and groups take part in society - improving the ability, opportunity, and dignity of those disadvantaged on the basis of their identity.
b)	Rural isolation	The feeling of powerlessness and disconnection experienced by individuals or groups as a consequence of living in a rural area.
c)	Capacity of the Community to develop	A process where community members come together to take collective action and generate solutions to common problems.
d)	Quality of life for residents	A good standard of health, comfort, and happiness.
e)	Increase in Visitors to the area.	
f)	Increase in Health and wellbeing	A state of complete physical, mental and social well-being.
g)	The local environment	

h)	Opportunity to develop new skills
i)	Employment

Applications for funding of Events and Festivals are expected to bring economic benefit to the relevant area and have a developmental aspect. This could be in the form of increased tourism, new opportunities for the local community or the development of a locally based interest. How your project will impact these should be evidenced in the application.

**The following criteria apply to all applications for financial assistance from the Council:**

All Community Organisations applying for funding who work with children under the age of 18 years, or vulnerable adults must meet their legal requirements under the under Protection of Vulnerable Groups (Scotland) Act 2007 which introduced the PVG Scheme in November 2010. For further information: <http://www.volunteerscotland.net/disclosure-services>

All Community Groups applying for events and festivals must meet their health & safety and licensing requirements. Groups should notify the Safety Advisory Group ([envhealth@argyll-bute.gov.uk](mailto:envhealth@argyll-bute.gov.uk)) that they intend to hold an event and comply with their advice.

The Council will have to be satisfied that the applicant has the necessary expertise and resources to deliver the project/activities outlined in the application.

**Applications must:**

- 1 Be for activities taking place after April 2019, and completed by end March 2020.
- 2 Be submitted by an organisation with an eligible governing document, and operating on a non-profit making basis.
- 3 Include a signed copy of the most recent audited or approved accounts, or financial projection in the case of a new organisation. Accounts and projections must be approved and signed by someone independent of the organisation. This person's name and address must be supplied. Note: Electronic Signatures accepted.
- 4 Disclose details of any sponsorship agreements.
- 5 Include a statement showing how much the organisation has in **all** bank or other accounts. If an organisation has significant balances, a statement detailing why they cannot be used for the purposes for which grant assistance is being sought, should be provided.
- 6 Be compliant with the Equalities Act 2010.
- 7 The Supporting Communities Fund cannot contribute to projects that receive funding from other sources within Argyll and Bute Council.
