

SCOTTISH
FIRE AND RESCUE SERVICE

Working together for a safer Scotland

Argyll & Bute Community Action Team

Home Fire Safety Visit Referrals:

Partner referrals can be forwarded in the first instance to the block e-mail address below with the contact details for the service user and the person / department / organisation making the referral. The community action team member for the local authority area will contact the referrer in due course.

Alternatively, direct contact can be made to any community action team member to discuss a referral if the need arises.

Block e-mail address: W.EWDABHFSVReferrals@firescotland.gov.uk
