(TRAFFIC MANAGEMENT) AND (AMENDMENT) ORDER 201_**

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

Queens Hall, Dunoon

As a result of the Dunoon regeneration – Queens Hall Project, the local road network has been re-aligned to accommodate the development. New and amended Traffic Regulation Orders are required due to the changes. The restrictions proposed also aim to:-

- maintain suitable and adequate stopping facilities for buses and taxis
- maintain existing parking and access strategies within central Dunoon
- provide suitable loading facilities for the Queens Hall
- preserve and improve the amenities of the area

The proposals are being promoted in the interest of road safety and to help support the continued regeneration of Dunoon.
